

— ACADEMY —

Certificate of Completion

THIS CERTIFIES THAT

Vincent Amedekah

has successfully completed the KenteCode AI Academy *Generative AI Engineering* Program, a 6-month, cohort-based curriculum covering Python, SQL, Large Language Models, Retrieval-Augmented Generation (RAG), and AI agent development.

A handwritten signature in black ink, appearing to read 'Vincent Amedekah', written over a horizontal line.

Vincent Amedekah
FOUNDER / CEO
